SPONSORSHIP 101

Heads up, sponsors! A revision to the Application to Attend the Alabama Emmaus Community Walks is in the works and will soon be available. There are now blanks for cell numbers and email addresses for both of you. The self-addressed postcard to let you know when your Pilgrim is assigned is gone and you can request an email confirmation. In bold is the statement that all fees are due when the Pilgrim is assigned to a Walk. New on your portion is a blank for the Cluster you attend, and, if this is your first time to sponsor, there is a blank for the name of your co-sponsor. There are also some changes to the letter sent

to invite your Pilgrim and the sponsor's letter sent to you. You are both told that all fees are due when the Pilgrim is assigned to a Walk. There has always been a rule that children are not allowed in Hutto when a Walk is in progress, and there is now a reminder of that rule. And with a camera on every phone, there is now a statement that photos are not allowed on the premises. Please take note of these updates so you can be the best sponsor there is! If you do, you will be doing yourself, your Pilgrims, and the Community a huge favor!!!
